

### REMARKS

Claims 1-4, 7, 13-22, 26, 31, 32, and 34 currently stand rejected under 35 U.S.C. 103(a) as being unpatentable over US Patent # 5,649,378 to Roesser in view of US Patent #4,587,753 to Haper. Claims 5, 6, 8-12, 23-25, 27-30, and 33 stand objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Applicants have herein cancelled claims 1-4, 7, 13-22, 26, 31, 32, and 34. Applicants have further amended claims 5, 6, 8-12, 23-25, 27-30, and 33 to be in independent form including all of the limitations of the base claim and any intervening claims. Payment of \$400.00 for the 4 extra independent claims has been paid for by credit card, along with the extension of time fee. The credit card payment form is attached.

Applicants submit that claims 5, 6, 8-12, 23-25, 27-30, and 33 are allowable as herein amended.

Respectfully submitted,

---
